

Milford Shops

At the time of writing, Milford is in Level 3.2. So, we are 'Open' as best we can be. We have spent Covid developing our Milfordshops website and you will find in this, our latest rendition, a wonderful resource to use for shopping at your favourite shopping centre, MILFORD.

We have tried to make it much more user friendly, adding sub-categories and all the vital information of today's trading:

- Website (and online ordering if available)
- Facebook
- Instagram
- Phone number
- Trading hours
- The location of the businesses – physically and in goggle maps
- Background information on the business
- And lastly, any promotion, special or competition the business is running.

Now that's taken a bit of digesting by even our business owners. There is a lot to learn in terms of updating their listing, so you may find some are not as up-to-date as others. But it's a Work-In-Progress and we will get there in time.

Face Masks and 2 Metre distancing

Please respect each other and our store staff. Wear a protective face mask whenever in a store and please observe the 2 metre distance required at present.

Events and Covid

We love events in MILFORD but Covid has put severe restrictions on this activity.

However, as soon as we are able to, we'll have events for you to enjoy.

We are in weekly contact with our events company, Seven Events Ltd, assessing the situation. The GO button is already to be pushed as soon as we get government permission and it is deemed safe to hold large gathering.

So be patient... They will come back.
